## SIGN #11. 360° RIGHT TURN

**AKC Video:** <https://www.youtube.com/watch?v=ivc93PP9rJg>

**Description:** While heeling, the dog and handler make a tight 360° turn to the right.

**Notes:** The team makes a 360 turn to the handler's right. 360-degree turns are performed as a tight circle, but not around the exercise sign. Keep dog in heel position. Dogs tend to lag in this exercise. Don't go too fast.

## SIGN #12. 360° LEFT TURN

**AKC Video:** <https://www.youtube.com/watch?v=h8XuNbLUj2I>

**Description:** While heeling, the dog and handler make a tight 360° turn to the left.

**Notes:** The team makes a 360 degree turn to the handler's left. 360-degree turns are performed as a tight circle, but not around the exercise sign. Keep dog in heel position. Dogs tend to forge in this exercise. If your dog pushes you out, your dog is crowding you and it will be penalized.

## SIGN #13. CALL DOG FRONT–FINISH RIGHT–FORWARD

**AKC Video:** <https://www.youtube.com/watch?v=UIDPpbpMJ6s>

**Description:**

**Notes:** When handler calls dog to the front, the dog sits in front and faces the handler. The handler may take several steps backward as the dog turns and moves to sit in the front position. The second part of the exercise directs the handler to command and/or signal the dog to change from the front position by moving to the handler's right around behind the handler towards heel position. As the dog clears the handler's path, the handler moves forward before the dog has completely returned to the heel position. The dog does not sit before moving forward in the heel position with the handler. Handler must

*not step forward or backward to aid the dog as the dog moves toward heel position.*

## **SIGN #14. CALL DOG FRONT – FINISH LEFT – FORWARD**

**AKC Video:** <https://www.youtube.com/watch?v=3TIVTyoYEpU>

**Description:** While heeling, the handler stops forward motion and calls the dog to front. The handler may take several steps backward. The dog must come and sit in front. Without the handler moving their feet, the dog must finish to the left. As the dog clears the handler's path, the handler will heel forward before the dog returns to heel position. **(Stationary)**

**Notes:** *When handler calls dog to the front, the dog sits in front and faces the handler. The handler may take several steps backward as the dog turns and moves to sit in the front position. The second part of the exercise directs the handler to command and/or signal the dog to change from the front position by moving to the handler's towards heel position. Make sure to not move your feet on the finish until your dog clears your path. THEN heel forward before dog returns to heel position.*

## **SIGN #15. CALL FRONT – FINISH RIGHT – SIT**

**AKC Video:** <https://www.youtube.com/watch?v=ZiJdNc-kC84>

**Description:** While heeling, the handler stops forward motion and calls the dog to front. The handler may take several steps backward. The dog must come and sit in front. Without the handler moving their feet, the dog must finish to the right and sit in heel position. **(Stationary)**

**Notes:** *After handler calls dog to the front, the dog sits in front and faces the handler. The handler may take several steps backward as the dog turns and moves to sit in the front position. The second part is the finish to the right where the dog must return to heel position by moving around the right side of the handler. The dog must sit in heel position before moving forward with the handler. Handler must not step forward or backward to aid the dog as the dog moves toward heel position. **Do not halt when you approach this sign. That small stop sign is for the finish.***
