

SPECIAL CORONAVIRUS RALLY INTERMEDIATE/ADVANCED CLASS WEEK 6 – 4-28-20.

Today's Course: <http://www.k9rally.com/Documents/2020Apr28CBNested12-Adv6.pdf>

New Advanced Signs:.102,108,116,119

Intermediate students: The jump is not used in the Intermediate class. Replace that with a Novice sign #12, or any other Novice sign that is not a turn or a cone exercise.

Helpful Tips: I've added AKC videos to this week's signs. You can see more here:

<https://www.youtube.com/channel/UCOmnrKKiM2kcaowVI3SxeVQ/videos>

102. HALT - About "U" Turn – Fwd – AKC Video: <https://www.youtube.com/watch?v=xjFv3xseiDg>

Try not to take a step forward after your halt. "Turn 180° to the left" is a principal part of this exercise.

108. Offset Figure 8 – AKC Video – Version 1: <https://www.youtube.com/watch?v=P4zXyflttZ4>

Version 2: <https://www.youtube.com/watch?v=VNQBS8XsGhA>

As you can see by the two videos, the handler may enter on either side of the first cone. You want to enter on the side that gives you the cleanest line to the next exercise. You will cross the center three (3) times, no more, no less...

116. Halt–Pivot Right–Fwd – AKC Video: https://www.youtube.com/watch?v=FpYuiAhl_Lw

Make sure both feet are in the same place after the pivot. Your dog MUST heel with you as you pivot.

119. Right Turn – Dog Circles Right – Fwd – AKC Video: <https://www.youtube.com/watch?v=IeiokuQyMzE>

As you begin to turn right, give your dog the command to circle to the right. When your dog is back in heel position, continue forward in the new direction.

ENJOY & AND STAY SAFE!!!

Feel free to contact me for any feedback you may have.
